Clinical Internship Application For Advanced Practicum, Master's and Doctoral Level Interns

T.W. Ponessa & Associates has a formal internship program for graduate students in psychology and/or social work. Interested graduate students should complete the following application requirements to be considered for an internship. This information can also be found at our website, www.twponessa.com.

1. Please submit your resume, transcripts, goal statement that includes what you want to learn in the program and how you will use what you have learned professionally, and two letters of recommendation (one academic and one professional). Master's students should be in the final year of their program. All applicants must have a minimum of a 3.5 GPA.
2. Please identify specialized skills that you have (i.e., certificates, trainings, or research projects).
3. Please include total number of hours, expected experiences, start and end dates, and percentages of direct client hours. Name your school field coordinator or internship supervisor with contact information.
4. Please identify two theories of therapy that you want to develop during the internship (Master's).

Master's level interns are required to attend departmental, group, and individual supervision sessions. Interns will attend one weekly internship group supervision. The Wednesday internship group supervision begins at 2:00pm and ends at 3:30pm. The Friday internship group supervision begins at 10:30am and ends at 12:00pm. Departmental and individual supervision times will vary. The supervisor must approve any exceptions.

In order to be prepared to meet with clients early in the internship process, there will be pre-internship responsibilities once accepted. These include the following: provide Child Abuse, Criminal Record, and FBI clearances, provide certificate of completion of an approved mandated reporter training, provide personal liability insurance, attend documentation training, and attend other meetings as needed.

Please refer all questions and send materials to:
